VOLUME 19

THE BUFFALO ROUNDUP

DEDICATION

Dedicating a Yearbook is always a thing that needs a lot of serious thought. There are so very many people who deserve to have a book dedicated to them.

In the past years The Roundup has been dedicated to individuals, to groups - the coaches, the school Sponsors, those business men who help with our book by giving us advertising.

This year we have chosen to honor another group- The Faculty. From the first grade through graduation the men and women of our faculty have done their best to get us to do our best to prepare ourselves for whatever life has in store for us.

So, in grateful appreciation of their efforts, we, The Staff of the Buffalo Roundup of Stanton High School for 1964, do dedicate this Volume Nineteen to the Faculty of the entire school.

This year has been an exciting time for me and will always mean more than I can express. I have had an opportunity to see the true democratic spirit reach a new high in our school. The student body, faculty, parents, and friends have cooperated to the fullest to provide educational opportunity for our community. I congratulate each for that contribution.

The future belongs to those who prepare for it and I count it an honor to work with so many dedicated to such preparation.

The Sponsor and Staff of the yearbook are due great credit for the work done in assembling this record of activities and events that will bring inspiring memories to us in the years to come. To you I express my deepest appreciation.

Sincerely,

Beryl D. Clinton

Beryl D. Clinton, Superintendent

EDITORIAL

This year we, the members of the annual staff, have tried to publish a book that will be a lasting treasure forever.

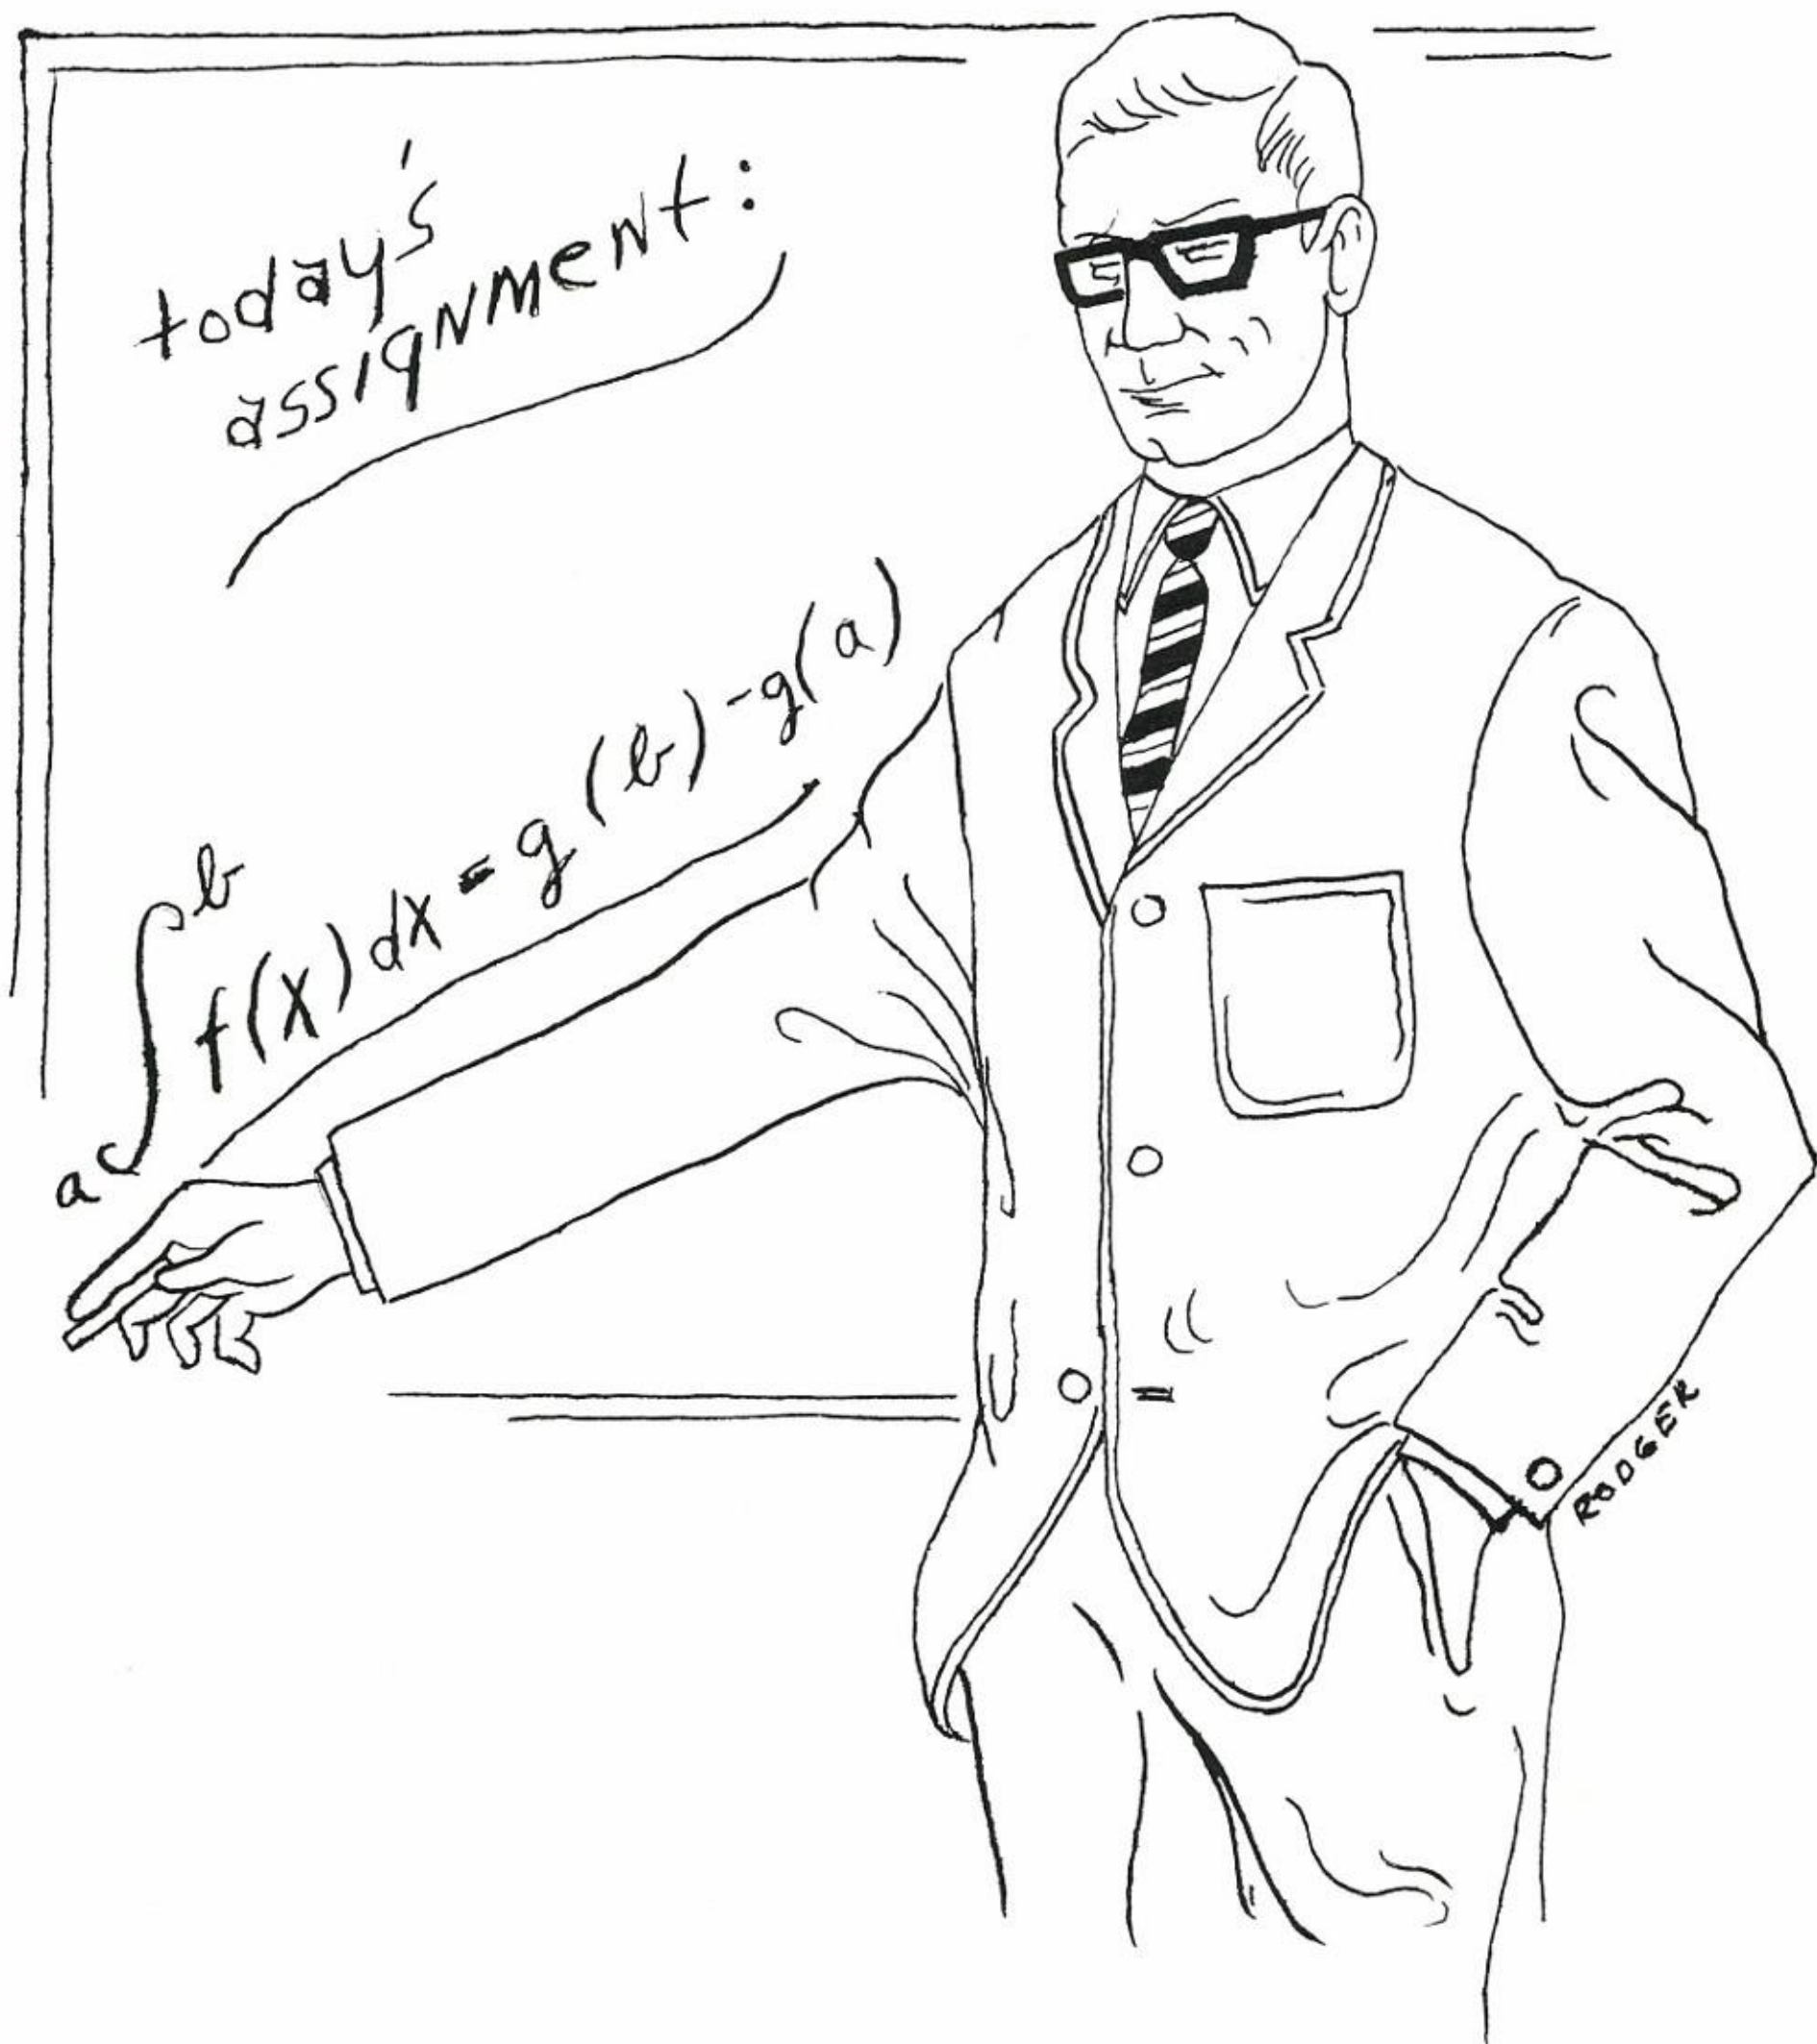

It is not easy to put everything everyone has accomplished in a year-book. We hope you will enjoy the small part of activities we have preserved for you in this book.

I sincerely hope this will be one of the best memories of your high school days. With these few thoughts in mind, it is with great pleasure I give you the 1964 Roundup.

Sincerely,

Mary Blaspie

This is the second appearance of Carolyn a junior. She was secretary when a freshman and reporter her junior year; Student council representative her sophomore and junior years and candidate for secretary of the council freshman and sophomore years.

In FHA she has attained the junior and chapter degrees; served her chapter as historian and is presently serving as President. A candidate for area fifth vice-president her sophomore year, she is running for a state office this year.

She was in the National Honor Society her sophomore and junior years; on the annual staff her sophomore year and in FTA her junior year; represented her school in the slide rule contest and in ready writing in Interscholastic League her sophomore year.

She was selected as Citizen of the Month once in her freshman year, twice in her sophomore year and once her junior year. She received several "S" awards her freshman and sophomore years.

She has maintained an A average in her Studies and has been very active in her local church and its activities and has served as an associational youth officer two years. It would not be hard to find reasons for Carolyn's being chosen for this honor.

Mary, a senior, has spent four busy and prosperous years in Stanton High School. She has accomplished more than any five average students put together and is well liked and worthy of all praise handed her.

Her fellow class mates have bestowed on her many honors. Mary was class officer her freshman, junior, and senior years and class favorite her junior and senior years. A cheerleader when a sophomore, junior, and senior, she was head cheerleader this year. A school favorite, she was elected Most Athletic her junior; Most Popular and Miss SHS her senior year. A faculty favorite, she was given the honor of Faculty Who's Who and Citizen of the Month her junior and senior years. She was also nominated for Football Sweetheart the past three years, Who's Who her sophomore year, and F.F.A. Sweetheart this year.

Her organizational achievements have become well known and envied by every student. She has been a Student Council member in all except her freshman year and attended the SASC meeting her sophomore year. Elected to the National Honor Society the last three years, she served as an officer the last two. She joined the FTA her senior year and became an officer. She has been one of the FHA's most valued members all four years, serving as officer the past two. Mary played volleyball and basketball all but her senior year. A graduation usher, she was in the junior play.

On the annual staff the last two years, she has served as Editor this year. This completes a list of accomplishments that explains for itself why Mary was chosen for this honor.

Ronald Hartsell

An excellent student in every respect, Ronald has become one of the most well liked, well mannered, athletic personalities in Stanton High School.

A member of the Student Council the last two years he has served as president both of them and attended the state convention. In FFA he was in the Dairy Judging Finals.

He has appeared on the personality pages as Friendliest 3, Most Popular 4, Who's Who 4, Mr. S.H.S., and as Citizen of the Month 3. He was in the play, a class officer, Graduation Usher, and Letterman's Club his junior year.

He has been very active in sports all of this high school years, be as witness the following: Football 3,4, Captain 4, Back of the Week, Basketball 1,2,3,4, Track 1,2,3,4.

A well rounded student in every respect Ronald will graduate this year with the admiration and appreciation of a grateful high school.

Rodney Payne

A top-flight leader and good student, Rodney's cooperation and fine attitude have been a definite asset to the school.

Rodney's accomplishments have been many in number:

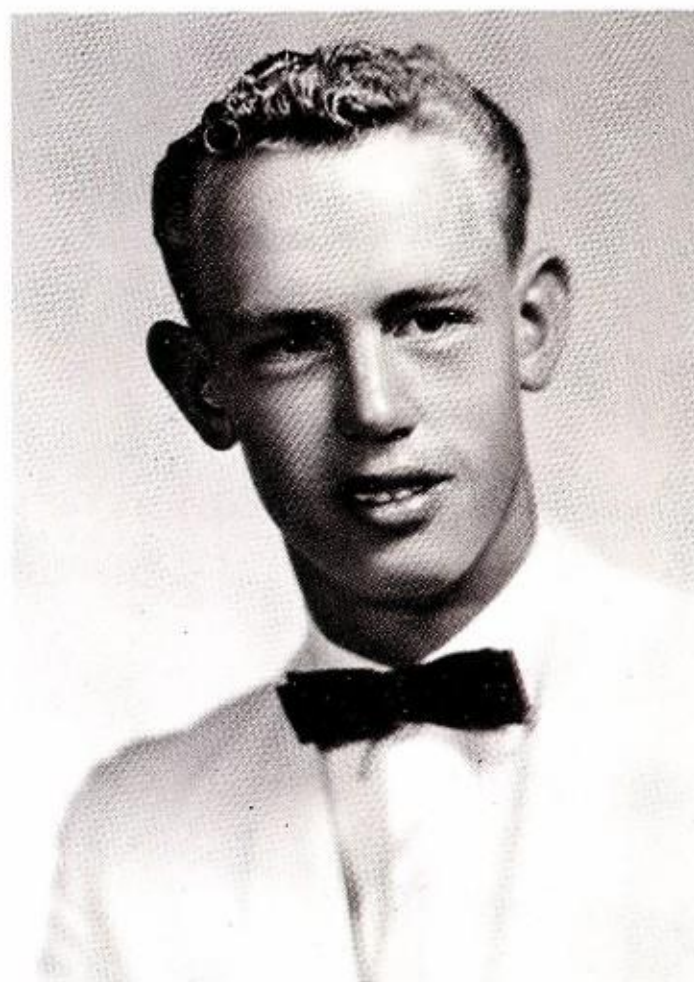

Senior: Class officer, Student Council, National Honor Society, officer, Football: All-District, Most intellectual, Football Hero, Lineman of the Week and year.

Junior: Class officer, National Honor Society, Football, Basketball, Track, Junior Play, Nominee for Faculty Who's Who, Letterman's Club.

Sophomore: Class officer, Student Council, National Honor Society, Football, FFA, Nuclear Science Symposium, Science Club, Poultry Judging.

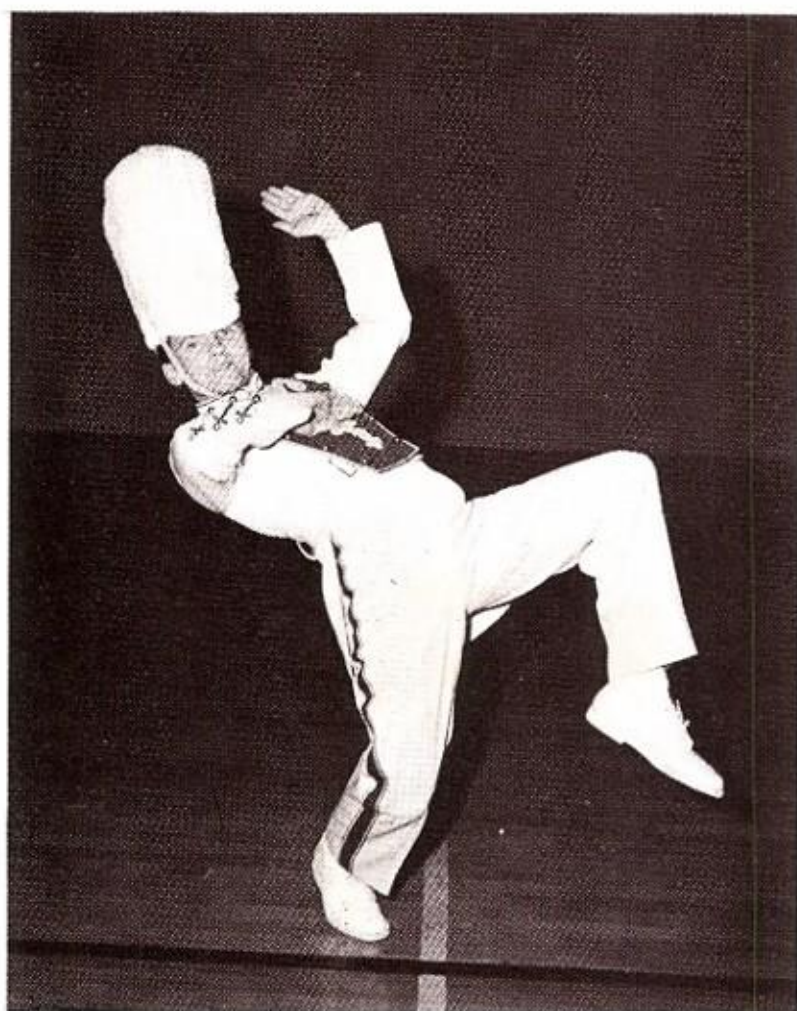

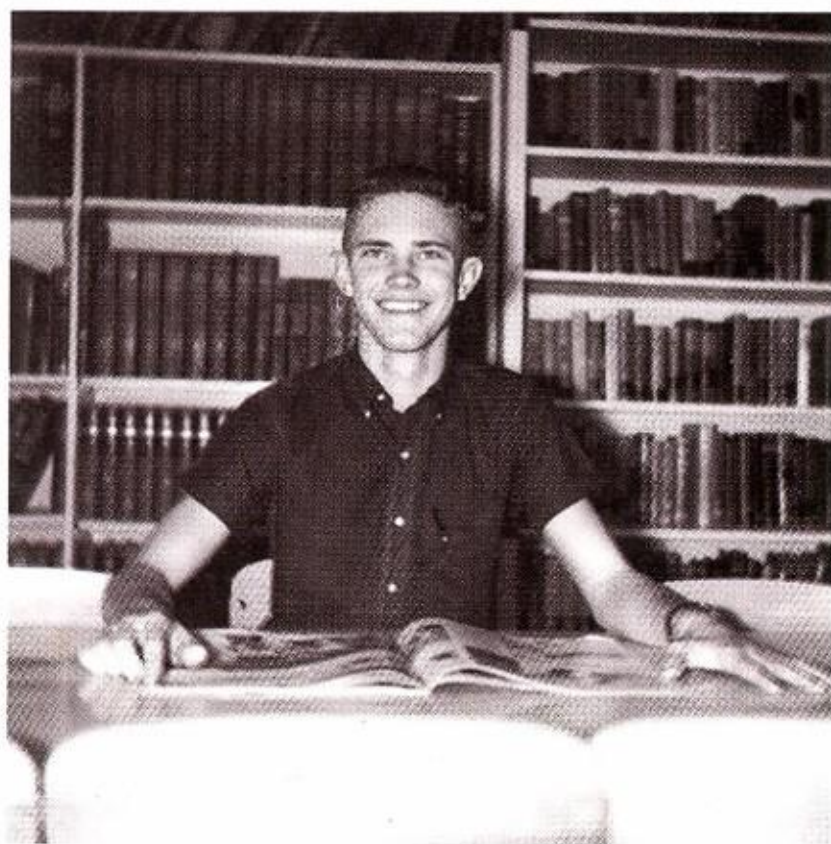

Freshman: Class officer, Student Council, FFA, FFA Scholarship Award, Science Club.

When Rodney graduates this year Stanton will lose one of its finest students.

Carroll Anderson

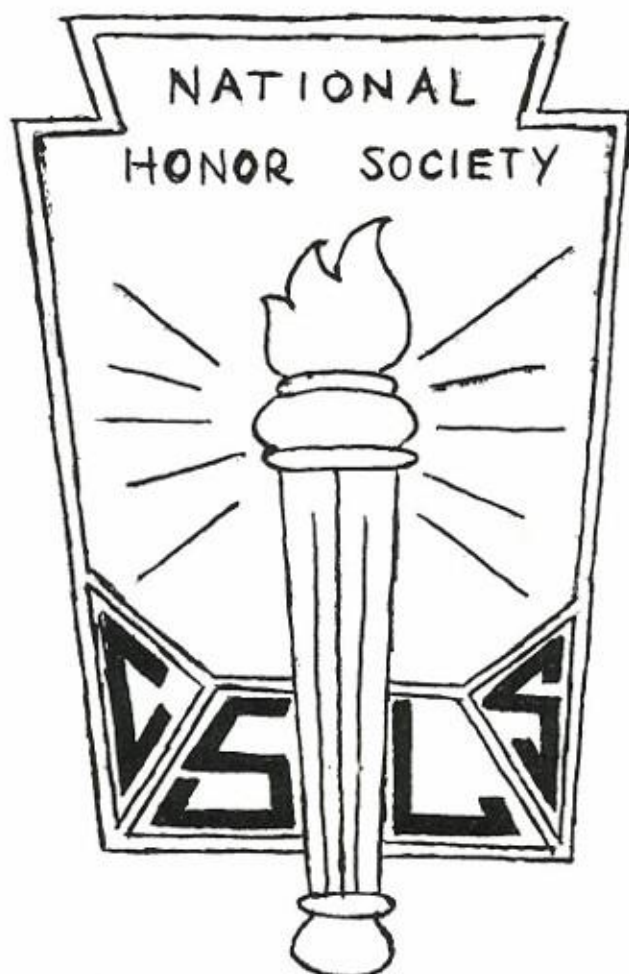

Carroll is a Junior. He is just a good, all around boy. He makes good grades, takes part in sports, and is a member of The National Honor Society and of The Student Council.
